(Monthly Report)

John Fausett reports of a sick child at corner of 7&Maple Ave with out proper care found Dr,Horning waiting on child which was sickwith summer complaint and parents doing all they could.
Was called to Princeton in regard to Effie Johnson making her Children walk to town through the hot weather this is one of the cases that is impossible to judge as the parents is very poor and it looks to them as ever body is taking advantage of them however can state the children will not make these long walks in the future
Lyda Kuntz of Middletown came to this office in regard to her parents not allowingher to stay at home on investiagtion found Lydia was about as low as she can get she is a noted caraacter in Middletown we put her in the Helping Hand for the hight and sent her Home the next morning.
Mood Kinnigen makes complaint of W.Willmer abusing his hogs warnd boy to stop such practious.
Was called to St.Charles in regard to Alvin Dobbins neglecting his Horses,the report was he alloued two horses to starxe to death on investigation found this to be a case of spite work. toe horse in question has a bad breast and the horses that died were attend-

ed by Dr.McTrosk of Oxford and the owner done all he could to save his stock.

Arrested Wm.Hartley for abusing his family hab him before Bolser and with a warning let him go,it would be a shamed to fine this fellow as it would be taking the money from his family.

Was called to 516 Vine St. in regard tm Mr Jacksom who husband dose not support his family,had this fellow in and he promised to do b better.

Wm.Jeffers left his horses in the Denfeller lot from 9P.M.Sat. to 1.45 Sunday with out water this young fellow takes good care of his horses but he overslep him self on this day.

Had Cecil Jones in for deserting a pregment Woman after being in Jail over night he decided to take care of his family.

Mrs John Metzger complains of Mrs Kaopolis of Grismer'saddition leaving her child in the house without any to care for same this is an old case I ordered her to attent to her child.since she has left town.

Took Mrs.W.Hartley to the Hospital vher she died a few days later

At the request of the County Com. I sent old Walter Campell to Erlanger Ky.

A complaint was made of the condition of a horse belonging to Hary Bocon on Wilson hill found the worst case I ever saw the eye had been removed and same neglected to the extent that it was allive with veomens got Dr.Wilson on the Job arrested Bacon and he wsa fined $25.oo and cost which he took up on error.

Was called to 5&Ludlow in regard to chickens being overcrowded in a coop ordered same put in larger place.

Wm.Johnson of Deerfield Pike was arrested by the police for assaulting a little 13year old Nora Johnson of the same address the case was turned over on this society,after we worked the case we turned same Back to the Poliece as they could handle same better than we can.

Carolein Green was Picked up on the street in a very bad condition We put her in the Helping Hand untill we could find her folks after a good many letters we decided it would be best to send this old lady to Dayton where she could be near her people.

Was called to 837 Greenwood Ave.in regard to Arch.Joskins 'sthis child has a step mother who is very cruel to her I warned these people if they did not care for her better we would put the child in the home this had the desired effect.

Miss Beardsley of the Federated Chrietys complains of Geo.Adams of 224 S.7St.womt work and support his age mother had this fellow in and instructed him to go to work or we would procute him.

Complaint by telephone that Hattie Huber of Sycamore Alley neglected small dog. Called on this woman, give her orders to take better care of dog or we would have the dog put in pound.

Dolph Case, 1121 John St., won't support his family. This fellow works for Sam Riddle, unloading cars at Long & Allstatter Co. I saw Dolph and instructed him to cut out his drink and take better care of his family or we would take him to court.

Complaint was made by police of a horse standing at the depot from noon till 8:30 P. M. On investigation, found horse belonged to John and Jim Bake; put the horse in the Webb stable, and on account of Bakes' having so much trouble did not make an arrest. Made these fellows pay for the keep at the stable and warned them that if we found the horse standing ~~xxxxxx~~ again we would swear out a warrant.

Complaint made by Cecil Joyce that his wife, Maria, had deserted her 11-months old child. She was staying with a woman by the name of Huey on the Mill Road. Marie is only 17 years of age, and steid in a house of this kind in company with Mr. Shirley we ordered her back to her home and warned her if she deserted this child again we would certainly prosecute her.

Complaint by Mrs. Newman of a family by the name of Johnson, CokeOtto in distress. Visited this family and found Dr. Burdsall of 7 mile waiting on a patient there. Dr. Burdsall informed me that while the family was very poor, he saw no reason why the Society should take up this case, as the father is a hard-working man, andprovides tolerable well for same. Will keep an eye on this case in the future.

Complaint by Mrs. Walter Hinkle of Maple ave. that a MacDonald boy was causing a great deal of trouble. Saw this little fellow and outside of him being a 100 per cent boy could find no trouble.

Mrs. Lou Neiderman, 571 S. Front St. complaints of her husband not supporting their child.. Had Lou in, and told him where to get off at. He promised to dobetter, which I think he is doing.

On complaint of Dr. Ferris, I arrested Joe Mulhausen and Steve Sturgeon for cruelty to animals. These men had a pet coon, carrying it from one saloon to another, and abusing the coon in this, that they had a wire tied around its neck and its four feet tied together. Had these men before Squire Balser; fined $5.00 and costs.

Complaint by telephone that Mrs. Thos. Pigg of1141 S. 12th st. compelling her 13 years old child to work when the child was not able; informed Mrs. Pigg that this child was not allowed to work at any thing according to the law. Informed her that the older son, who is 17 be compelled to work. She protested and said he was not able to work. On examination by Dr. Smedley of Lindenwald, found this fellow had an awful bad case of never

work. Secured a place for this fellow at the Stove Fdry. from Geo. Custer, and believe he will do all right now.

The complaint by Officer Everidge of Lina Bockman, of 307 Parrish Ave. This child is only 10 years of age, and a kleptomaniac. I have taken the matter up with Father McNary and trying to send this child to some institution where she will be cared for.

Clarence Case, 231 N. 4th St. working at the Hoover-Owen-Rentschlers, refuses to support his mother, Mrs. Adams. Saw Clarence, and he says that he will give $2.00 a week towards her support.

Arrested James Davidson at the Long and Allstatter Co. for the Covington Kentucky, authorities.

The complaint was made of Joseph Woods, F & Ross Sts. having a sick dog for over a year without medical attention. Called Dr. Wilson and had him chloroform same.

Mrs. Staton Langford, West Elkton, complains of her husband abusing her. I have taken this matter up with the Humane Society of Preble Co., but can get no answer to my letters. Will visit this home in the near future.

Salem Lenhoff, of 1129 Heaton Alley, complains of a Chas. Spivey attempting to assault his five year old son. On investigation found the little fellow could not identify Spivey, therefore we had to drop the case.

Respectfully submitted,
