

Butler County Health Department

**OVERSEAS TRAVEL IMMUNIZATIONS
PROGRAM**

Going abroad? Don't forget to check with us about vaccines you may need to protect your health!

- We offer a free itinerary assessment to determine your immunization needs based on the Centers for Disease Control's guidelines.
- Appointments are required and available by calling 863-1770.
- Anti-malarials need to be prescribed by your private health care provider.
- As a designated Yellow Fever provider, we offer full service travel immunizations including:
 - Hepatitis A & B
 - Influenza (seasonal)
 - Polio
 - Japanese Encephalitis
 - MMR
 - Menomune
 - Pneumovax
 - Rabies
 - Tetanus/Diphtheria
 - Typhoid
 - Varivax
 - Yellow Fever

Please call 863-1770 for current fees
