APPENDIX C

Selection of Prospective Jurors

Prospective jurors shall be selected from the randomized names contained in the voter registration master file, maintained by the Butler County Board of Elections on a magnetic disk in the Butler County computer system. The voter registration master file is the current list of all registered voters in Butler County.

Selection of prospective jurors shall be made by a key number system in accord with R.C. §2313.07(C) as follows:

There is a *random* selection of a predetermined number (for example, 50,000 for the 2006-2007 jury year) of registered voters from the voter registration master file. A juror identification number shall be assigned to each prospective juror as selected. Those prospective jurors shall comprise the master qualified jury list for the jury year.

A *random* selection of prospective jurors from the master qualified jury list then occurs. Those selected shall comprise the annual jury list for the jury year.

The selected key number is a computer-generated random number between 0.000000 and 0.999999, multiplied by the last assigned voter identification number (assigned by the Board of Elections at the time of registration and maintained in the voter registration master file), plus 1. This formula is repeated for each prospective juror until the desired number of prospective jurors has been selected. A juror identification number shall be assigned, consecutively, to each prospective juror upon selection.

The jury commissioners or their designated representatives shall supervise the actual selection of prospective jurors in accord with this rule and the Ohio Revised Code.

APPENDIX F

Standard order of visitation

If there is a willful denial of court ordered parenting time or visitation by either parent, or any custodian, the court may make a finding of contempt, and order appropriate sanctions, which may include incarceration, fine, and attorney fees. Further, a willful denial of a parent's or custodian's parenting time (visitation) may lead to modification of the visitation or custody orders.

It is recognized that each situation and each child is different, and it is preferred that parents and custodians tailor the parenting schedule to meet the specific needs of the children. In the event they cannot, this court has established the following minimum standard guidelines for parenting time.

Parenting time (visitation) between non-residential parents and children should not be less than:

- 1.) **Alternate weekends beginning Friday at 6:00 p.m. and ending Sunday at 6:00 p.m.**
- 2.) **On weeks when there is no weekend parenting time, Monday from 5:00 p.m. to 8:00 p.m.**
- 3.) **Holidays:**

In odd-numbered years the legal custodian, residential parent and/or custodian for school purposes will have the child(ren) on:

Spring Break: The child(ren)'s school schedule shall define when spring break occurs. If the child(ren) are not of school age, or if the child(ren) are home schooled, the public school spring break schedule in the district where the residential parent for school purposes resides shall control. Parenting time should be from 5:00 p.m. on the last day of school prior to the Spring Break until 5:00 p.m. on the day before school resumes. If Easter falls within spring break, it will be considered part of the break. If Easter does not fall within spring break, it will be celebrated according to the normal weekend rotation.

July 4th from 9:00 a.m. to 11:00 p.m.

Christmas Day together with the five full days following Christmas Day, i.e., from December 25 at 9:00 a.m. until December 30 at 6:00 p.m.

In odd-numbered years the non-custodial parent and/or parent who is not the custodian for school purposes will have the child(ren) on:

Memorial Day from 9:00 a.m. to 7:00 p.m.

Labor Day from 9:00 a.m. to 7:00 p.m.

Thanksgiving: The child(ren)'s school shall define when the Thanksgiving holidays occur. If the child(ren) are not of school age, or if the child(ren) are home schooled, then the public school schedule where the residential parent for school purposes resides shall control. Parenting time should be from 5:00 p.m. on the last day of school prior to the Thanksgiving break until 5:00 p.m. on the day before school resumes.

Christmas Eve together with the five full days preceding Christmas Eve, i.e., from December 19 at 9:00 a.m. until December 25 at 9:00 a.m. If school is in session during all or part of this time period, that parent is responsible for transporting the child(ren) to and from school.

In even-numbered years the preceding schedule will be reversed.

Every Year:

Mother's Day will be spent with the mother from 9:00 a.m. to 7:00 p.m.

Father's Day will be spent with the father from 9:00 a.m. to 7:00 p.m.

4.) Child(ren)'s birthdays:

Birthdays shall be celebrated in the home of the residential parent unless the birthday falls during scheduled parenting time of the non-residential parent.

5.) Vacations:

Each parent shall have extended parenting time with the child(ren) for a period of four weeks every year, during which time the parenting time for the other parent or custodian shall be suspended. If the child(ren) are not of school age, the four week vacation period may be scheduled at any time during the year. If the child(ren) are of school age, said vacation periods shall be scheduled during summer break. No more than two of the four weeks may be taken consecutively, unless otherwise agreed by the parents. *Neither parent or custodian may schedule vacation parenting time which conflicts with the other parent's or custodian's holiday parenting time.*

Each parent must give the other parent not less than 60 days prior to written notice of the dates he/she intends to exercise parenting vacation time. When the dates of planned vacations conflict, the first notice received prevails.

Telephone contact:

Each parent is entitled to reasonable (no more than once a day) phone contact with the child(ren) when the child(ren) is/are with the other parent for more than 24 hours.

Both parents shall provide each other with their address and phone number. If parents remove the child(ren) from their residence overnight for holiday/vacation parenting time or any other purpose, the parents shall provide each other with an emergency telephone number where the child(ren) can be reached.

General rules regarding parenting time:

Parenting time which cannot take place because of serious illness of the child(ren) will be made up at the same time the following week.

The child(ren) and/or parent have no duty to await the other parent for more than thirty (30) minutes of the start of any parenting time. A parent late more than thirty (30) minutes shall forfeit the parenting time.

When the holiday parenting time of a parent falls on a Monday following that parent's regular weekend parenting time, then the parenting time will be continuous, i.e., the child(ren) will stay overnight on Sunday and return to the other parent on Monday at 7:00 p.m.

When a conflict occurs between the holiday parenting time and the alternate weekend/Monday parenting time, the holiday parenting time will take precedence.

Exchange of child(ren)'s clothing/personal property:

Neither parent shall restrict the child(ren) from taking those personal items which facilitate personal comfort and enjoyment to the home of the other parent.

Moving:

NEITHER PARENT SHALL PERMANENTLY REMOVE THE CHILD(REN) FROM THE JURISDICTION OF THIS COURT WITHOUT FIRST FILING A NOTICE OF RELOCATION. THIS NOTICE MUST FIRST BE SERVED UPON THE NON-MOVING PARTY AND MUST COMPLY WITH OHIO LAW AND MUST COMPLY WITH THE LOCAL RULES OF THIS COURT.

APPLICATION FOR CHILD SUPPORT SERVICES NON-PUBLIC ASSISTANCE APPLICANT

IMPORTANT: If you are receiving ADC or Medicaid, do not complete this application, because you became eligible for child support services when you became eligible to receive ADC or Medicaid.

I, the undersigned, _____, request Child Support Services from the _____
_____ County Child Support Enforcement Agency. I understand and agree to the following conditions:

- A. I am a resident of the County in which services are requested.
- B. Recipients of child support services shall cooperate to the best of their ability with the CSEA. (See attached rights and responsibility information).
The Child Support Enforcement Agency can assist you in providing the following services:
1. Location of Absent Parents.
The agency can assist in finding where an absent parent is currently living, in what city, town or state. The applicant can request "Location Services Only", if the sole need is to find the whereabouts of the absent parent.
 2. Establishment or Modification of Child Support and Medical Support.
The CSEA can assist you to obtain an order for support if you are separated, have been deserted or need to establish paternity (fatherhood). The CSEA can also assist you in changing the amount of support orders (modification), and to establish a medical support order.
 3. Enforcement of Existing Orders.
The CSEA can help you collect current and back child support.
 4. Federal and State Income Tax Refund Offset Submittals for the Collection of Child Support Arrearages.
The agency can assist in collecting back support (Arrearages) by intercepting a non-payor's federal and state income tax refunds on some cases.
 5. Withholding of Wages and Unearned Income for the Payment of Court Ordered Support.
The agency can help you get payroll deductions for current and back child support and can intercept unemployment compensation to collect child support.
 6. Establishment of Paternity.
The agency can obtain an order for the establishment of paternity (fatherhood), if you were not married to the father of the child. An absent parent may request paternity services.
 7. Collection and Disbursement of Payments.
The CSEA can collect the child support for you, and send you a check for the amount of the payments received. Back support collected will be paid to you until all of the back support you are owed is paid. If you received ADC in the past and support was assigned to the state, back support collected will be paid to the state after you receive back support owed to you.
 8. Interstate Collection of Child Support.
The agency can assist you in collecting support if the payor is living in another state or in some foreign countries.
- C. The only fee you can be charged for services is a one dollar application fee. Some counties pay this fee for the applicants.
- D. In providing IV-D services, the CSEA and any of its contracted agents (e.g. prosecutors, attorneys, hearing officers, etc.) represent the best interest of the children of the State of Ohio and do not represent any IV-D recipient or the IV-D recipient's personal interest.
